Greetings in the Name of Jesus our Lord!

The Culver Road Church has graciously agreed to host a meeting on the 15th of October (4 pm) for us to gather before the throne of God and petition Him for His will in the church, our lives, and the nation. There will be time for repentance, worship, and praying corporately prayers asking Him to give us His vision, His power, and His heart for those around us. For this to be the success and have the impact in our state, we really need the buy-in from the Pastors so the congregants will be motivated to come.

Last year during Heber and my tour of the state of Michigan, we had an incredibly powerful prayer meeting when we visited Culver Road congregation. I believe as we come together in unity, we will see the power and presence of God increase in each one of us individually, but exponentially corporately!!

Please get back with me before the end of this month and let me know the commitment from you and your congregations. We are trying to keep this meeting intimate, but invite as many as we can to experience the powerful presence of the Lord as we gather before His throne!

Love and Grace in Him,

Lyle Kendrick
